Hearts That Still Burn - Sermon Transcript 10/4/2026

Good Jesus, You are so awesome. Go to Luke chapter 24. Be encouraged, beloved, be encouraged. This is going to be a continuance of what I've been bringing. Luke 24:1. I want to just read all of it here. Y'all good? All right, here we go.

Now on the first day of the week, very early in the morning, they and certain other women with them came to the tomb bringing the spices which they had prepared. But they found the stone rolled away from the tomb. And then they went in and did not find the body of the Lord Jesus. Verse 4. And it happened, as they were greatly perplexed about this, that behold, two men stood by them in shining garments. Then, as they were afraid and bowed their faces to the earth, they said to them, Why do you seek the living among the dead? He is not here, but is risen.

Remember how He spoke to you when He was still in Galilee, saying that the Son of Man must be delivered into the hands of sinful men and be crucified and the third day rise again. Verse 8, And they remembered His words. Then they returned from the tomb and told all of these things to the eleven and to all of the rest. It was Mary Magdalene, Joanna, Mary the mother of James, and the other women with them who told these things to the apostles. Verse 11, And their words seemed to be like idle tales, and they did not believe them.

But Peter arose and ran to the tomb. And stooping down, he saw the linen cloths lying by themselves, and he departed, marveling to himself at what had happened. Verse 13. Now behold, two of them were traveling that same day to a village called Emmaus, which was seven miles from Jerusalem. And they talked together of these things which had happened. And so it was, while they conversed and reasoned, that Jesus Himself drew near and went with them.

But their eyes were restrained so that they did not know Him. Verse 17. And He said to them, What kind of conversation is this that you have with one another as you walk and are sad? And then one of those, whose name was Cleopas, answered and said to Him, Are you the only stranger in Jerusalem? Have you not known the things that have been happening here these days? And He said to them, what things?

And so they said to Him, the things concerning Jesus of Nazareth, who was a prophet, mighty in deed and word before God and all the people, and how the chief priests and rulers delivered Him to be condemned to death and crucified Him. Verse 21, but we were hoping that He was going to redeem Israel. Indeed, besides all of this, today is the third day since these things happened. Yes, and certain women of our company who arrived at the tomb early astonished us. When they did not find His body, they came saying that they had also seen a vision of angels who said He was alive. Verse 24, and certain of those who went

with us to the tomb and found it is it just was as the women had said, but Him they did not see.

And then He said to them, O foolish ones, and slow of heart to believe in all that the prophets have spoken, ought not the Christ to have suffered these things and to enter into His glory? And at beginning of Moses and all the prophets, He expounded to them in all of the scriptures the things concerning Himself. Verse 28. Then they drew near to the village where they were going, and He indicated that He would have gone farther. But they constrained Him, saying, Abide with us, for it's towards evening, and the day is far spent. And He went in to stay with them.

Now it came to pass, as He sat at the table with them, that He took the bread. He blessed and He broke it, and He gave it to them. Wow! And then their eyes were opened, and they knew Him, and then He vanished from their sight. Verse 32. And they said to one another, Did not our heart burn within us while He talked with us on the road, and while He opened the scriptures to us?

So they rose up that very hour, and returned to Jerusalem, and found the eleven, and those who were with them gathered together, saying, The Lord is risen indeed, and has appeared to Simon. And they told about these things that had happened on the road, and how He was known to them in the breaking of bread. What a marvelous choice of God. What a marvelous plan of Jesus. What a blessing from Holy Spirit to show up and reveal Himself exactly the way they wanted to. They could have done it a million ways, but this is what He chose to do. And it's written for instruction and encouragement.

So powerful. And He's just so adorable and funny. And how He moves with people, yes, that are His. And yet the glory that was being revealed to them was just outstanding. I don't know how they all even stood. I don't know how they just kept on walking. I would have just gone, and that was it.

But glory to God. Glory to God. Lord Jesus, set Your standard high in our midst. Be glorified and high and lifted in our hearts. Lord, You love without limits. Your love never fails.

Your love is above and beyond anything we could ask, think, or imagine. We honor and welcome Your Shekinah glory, Lord. Amen? The goodness of God is manifested in the land of the living. And there is victory today and forever in Jesus Christ our King, this King that was raised from the dead and is alive forevermore. Hallelujah, and is coming again.

Go to John 3:34. Did not our hearts burn within us while He talked with us on the road, while He opened the scriptures to us? John 3:34. This promise we have been speaking of, for He whom God has sent speaks the words of God. For God does not give the Spirit by measure.

For He whom God has sent speaks the words of God. For God does not give the Spirit, the Holy Spirit, by measure. He gives the Holy Spirit without limit, fully, generously, and boundlessly in Jesus' mighty name. Verse 8, hallelujah. did not our hearts burn within us while He opened the scriptures to us? Every day in our walk, from here until we see Him, He will continue to open Himself to us personally and corporately, from one generation to the next, from the eldest to the youngest, yes?

He will continually to reveal by the Spirit His glory and who He is. And it brings Him great joy and delight to these things. He gives the Holy Spirit without limit. Amen. Verse 8, So to me, who am less than all the least of the saints, says Apostle Paul, this grace was given that I should preach among the Gentiles, non-Jewish, the unsearchable riches of Christ.

Remember? The endless treasures available to us in Christ. the boundless riches of Christ, the incalculable riches of Christ, the unfathomable riches of Christ, the incomprehensible riches of Christ, that spiritual wealth which no one can fully understand. And yet did our hearts not burn when He spoke. He takes us from strength to strength and glory to glory. He is the Word of God made manifest.

And after His resurrection, He did not have to do it this way, but He did. Yeah? What joy fills His heart. And He still reveals Himself to each and every one of us in marvelous, magnificent ways. And He's been singing over us since the moment we were conceived in our mother's womb, hoping and knowing and believing that we would say yes to be saved. Amen.

because it is given up to us to believe in Him, yes, to accept the free gift of salvation. What a beautiful promise. Grace was given for the unsearchable riches of Christ. Verse 6. And I want to read this out of the New Living. There's so much inheritance for us that we can receive now.

God wants us to know Him. as if we were with Him in heaven now. Right? Say, why wait? You understand, because it's Christ in me, the hope of glory. The Holy Ghost lives inside of me.

We have the authority, the permission, the anointing, the blessing from the Father to know Jesus. And we have our whole life on this planet to do it. And if you just got saved yesterday, you just began. But yet that is our purpose, our destiny, and the glory that He's given us. Hallelujah. Religion cannot do this, but the Holy Ghost can.

The Word of God can. Life in the kingdom does this. Verse 6, New Living. It says, And this is God's plan. Both Gentiles and Jews who believe the good news share equally in the riches inherited by God's children. I'll read it again. And this is God's plan. Whose plan?

God's plan. Hallelujah. I want to be in that plan. I want to be in His will. Both Gentiles and Jews who believe the good news of Jesus Christ, right, crucified, dead and buried, three days, risen from the grave, ascended unto heaven and is coming again. Hallelujah.

We believe this. We believe the good news and share equally in that inheritance, in the riches inherited by God's children, fellow heirs. Both are part of the same body and both enjoy the promise of blessings because they belong to Christ Jesus. Oh, the riches, the glorious inheritance in Christ, the riches of the glory of the presence, the unsearchable riches of Christ. Hallelujah.

Now look at Ephesians 3:10. Scoot down a little bit. Verse 10. It says, God's purpose in all of this, wow, was to use the church to display His wisdom in its rich variety to all the unseen rulers and authorities. That's the principalities and powers in the heavenly places. This was His eternal plan, which He carried out through Jesus Christ our Lord. Because of Christ and our faith in Him, we can now come boldly and confidently into God's presence.

Now, this is a very powerful declaration. This is the glorious, unsearchable riches in Christ. This is treasures. These are boundless riches, unfathomable riches that God would say this about us because now once we're born again, we are the Church of Jesus Christ. Amen?

So God's purpose, God's plan, God's purpose, we are purposeful, yes? God's purpose in all of this is for the Church to display the glorious riches of the inheritance in Christ. To demonstrate the power of God, to make known the riches and the glory and the wisdom of God, to put on display His wisdom, to show Him off. right? To testify of His goodness. And all of this is going to be made known to all the powers and principalities in the air, to all the unseen authorities.

The angels know this, and all of Satan and his crew know it. Yes? Because Jesus is king. Say, Jesus is king. Jesus is king. This was His eternal plan.

God's purpose in all of this, to use the church, to use the church. Say, the body of Christ. That's it. It only comes one way through Jesus Christ and His body. He is the head. We are His body.

Amen. Because of Christ, our faith in Him, we can now come boldly and confidently into His presence. Yes, there is a fear of the Lord, but now you're not shrinking back because of sin. or dead works or religion or shame or any other thing, right, in this life that would try to keep you from that. We can now come boldly before the throne of grace to ask for help in time of need.

God made a way through the veil of Christ, through the blood of Jesus to approach Him. He is serious about us having revelation knowledge of the insearchable riches that He died for

us to have and no steal. He walks beside us and the Holy Ghost is in us. And sometimes you're just talking to the Lord throughout the day just like they did on that road. Is it not true? You're just talking to Him as you go along the way, as you drive, as you pray, as you meditate on your bed, as you worship and wherever you may be, you're always talking to the Lord.

That's sweet communion. You don't have to be in a church setting or a Bible study. It is our life. Hallelujah. It is our life and our lifestyle that we have this glorious opportunity.

Now go to Ephesians 3:14. I'm going to go ahead and be a New King James in that. Ephesians 3, this right here from these few scriptures talk about the apostolic revelation and zeal for Christ's church. We call this one of the apostolic prayers. It brings apostolic revelation and zeal for Christ's church.

Jesus is consumed with the zeal of the Lord. Yes? my, He is the full demonstration of what God's zeal looks like. For this reason I bow my knee to the Father of our Lord Jesus Christ, from whom the whole family in heaven and on earth is named, that He would grant you, according to the riches of His glory, to be strengthened with might through His Spirit in your inner man, that Christ would dwell in your hearts through faith, that you would be rooted and grounded in love, that we would be able to comprehend with all of the saints what is the width and the length and the depth and the height. to know the love of Christ which passes knowledge, that you may be filled with all the fullness of God. Do you see lack here? I don't.

Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to that power that works in us, to Him be glory in the church by Christ Jesus to all generations forever and ever. Amen. So when you pray these prayers and you know that God gives not the Spirit by measure, but He gives without limit and fully and generously, for God so loved the world that He gave His only begotten Son, He doesn't get any higher than that. And then choose to put His Holy Ghost inside of us and deliver us from evil and forgive us the things that we did against Him ultimately. to give us an inheritance. And He said, oh, I want you to know the riches of your inheritance.

I want you to know your dad. I want you to know Jesus. I want you to know the Holy Ghost. I want you to know my kingdom. Everything I have, I'm going to give you, church. And you're going to start while you're still on the planet.

It's easy to get to heaven. Hallelujah for heaven. I'm eager to get there, but not yet. But hallelujah, we have to finish our race. But heaven is here and heaven is now, and heaven is moving in through the Holy Ghost inside the temple of the Holy Ghost, the body of Christ.

This is a powerful prayer that the apostle prayed by the unction of the Holy Ghost that the church is still praying today, an apostolic anointing.

Jesus is apostle, prophet, evangelist, pastor, and teacher. And He came apostolically as the first to set up as the head of His church. And this is His desire. I want to agree with what Jesus wants. So I'm going to pray what Jesus says, and He'll do the work. Amen.

I have to line up with what He says. And if He wants to bring me out of that poverty mindset and of religion, yes, and lack and into the riches of the glory of the inheritance, and I'm saying, yes, amen. Right? Here I am, Lord. For this reason, I bow my knees to the Father of the Lord Jesus. You see that intercession, which is still going on in the body of Christ forever.

We agree. with Jesus. We agree with the Father. We agree with Paul, right? From all the saints, from the whole family in heaven and earth is named. You understand this? The two have become one.

Listen to it again. What is it? That He would grant us, He would grant you according to the riches of His glory, according to the riches of His glory, that He would grant to us according to the riches of His glory. You can't tap that out. You can't box that. You've just got to yield and say yes and amen.

Hallelujah. To be strengthened with might. There is a spirit of might. Isaiah 11:2, the spirit of might, that is Holy Ghost of might, of whom Jesus Christ carried in fullness. Hallelujah. He had the spirit of fear of the Lord upon Him, the spirit of might, power, yes.

And in that inheritance, He gives it to the church. Thus we pray for each other and the church at large from one generation to the next. This prayer, to be strengthened with might and His Spirit in the inner man. Where? In the inner man. Where? In heaven? No, here.

We need it here, don't we? Hallelujah. That Christ would dwell in our hearts, how? Through faith. That's the key. We know that He dwells in our hearts by faith. It's by faith and grace that we've been saved, correct? And we are rooted and grounded in love because God is love.

So that's the source of everything. Without love, it profits us nothing, the scripture says. That's it. That's all you need to know. It's all about receiving the love God has for us. Period.

End of discussion. And with that love comes an inheritance. Because when I finally believe somebody loves me, you're going to follow them wholeheartedly. And then He just pours out His Spirit upon you. and treats you like a son and daughter and no longer a prodigal or a sinner, right? Hallelujah.

This is the glory of the Lord who gives the Spirit without measure. He wants us to comprehend, comprehend. And even though we try our best in our flesh to comprehend, we know that it's spiritual, right? You're like, oh Lord, I want to believe my old help, my unbelief. Sometimes you're like, you're trying to lay hold of it and you're just that much.

But this is why we pray this prayer, because the Holy Ghost says, oh, no, I'm going to empower you to comprehend with all the saints from the beginning to the end what is the width, length, and depth, and height. That covers everything, guys. Say fullness. Fullness. Width, length, depth, height. What part of God does He not want us to know?

He says, well, you can know all of God but that. The only thing I'm not appointed to is wrath, bless God. Say amen. Amen. The scripture says, You are not appointed to wrath if you've been born again from above by the blood of the Lamb, because the blood of the Lamb conquered the wrath of God for us. That's in Thessalonians.

Sounded kind of Italian. I don't know. Maybe you're still rubbing off on me. There you go. Verse 19. To know the love of Christ.

I want to know the love of Christ which passes knowledge. This is that generous, beautiful, without limit inheritance in Christ. To know the love of Christ, it goes way beyond our knowledge. And be filled with the fullness of God. I want to be filled with the fullness of God.

So every day, Lord, I am full of the goodness of God. You see this? You pray this, you put these words in your mouth and you make it yours. Watch your life change. Verse 20.

Now to Him, praise the Lord for this. Now to Him who is able, Him who is able to do exceedingly, abundantly above all we could ask or think. Who wrote this? The Holy Ghost. God did to Him who is able to do exceedingly, abundantly, above and beyond anything we could ask or think according to the power that works in us. To Him who is able to do exceedingly, abundantly above all that we ask or think according to the power that works in us.

That's the great Holy Ghost. To Him be glory in the church by Christ Jesus to all generations and forever and ever. Amen. You see this, you hear this, that we have an inheritance and we can come boldly before the throne of grace to receive. And every day, this is the manifestation. No matter what pit you may be walking through right now, you're just walking through it.

Amen? We have the opportunity to know God and actually walk with Jesus Christ in this life. That is an amazing promise. You know, we're always working to come against just man-made religion. and let it be a living, breathing relationship. Hallelujah.

He only brings life. Why? Because He's the author of life. Jesus cannot bring you evil. He can't. He only brings us life, and His Word is life.

Jesus says He gives life and life more abundantly. He says it over and over, and this life is only found in Him. Everybody's searching for some kind of joy or hope or peace or answers in this life, but it will not be able to satisfy you. Only true life is found in Christ. Without Him, of course, we are nothing. And divine opportunities come from knowing Him according to His Word.

Say, Divine opportunities. That doesn't mean just meeting somebody it means meeting Him. And I exhort you always, pour your heart out to God. You talk to the Father, you talk to Jesus, you talk to the Holy Ghost, you talk to Him, you share everything with Him, you tell Him everything. He knows it anyway. If everybody would just go to God first, there'd be a whole less problems in the world.

Go to the author and finisher of our faith. Pour out your soul. Because I know, as most of you probably experienced as well, when you first get saved, all you know to do is just Pray, Father, I love you. Thank you for saving me. I love Jesus. I'm saved and bless our day and our food and our family.

And that's where you begin. Right? And some of us, when God came to us, we're weeping and crying and just rejoicing because He's forgiven us of our sins. But it opens a door to communion. This door of salvation just opens the door to the inheritance of the riches and the glory. And you come into a relationship with Him You tell Him everything.

You pour out your soul to Him. You can tell Him where you're angry, respectfully. You can tell Him where you're hurting. You can tell Him everything. He knows it anyway. Keep talking to Him.

Right? Open your mouth and talk to Him. Open your heart and speak to Him. Teach others this because don't think that others know this. Okay, I teach this every week. Okay, we are called to make disciples and so they have to know how they can come boldly before the throne of grace and but how to talk to Jesus.

Look how He talked to those guys on that road. Just like that, right? Well, He walks and talks with us along life's merry way, right? but open your heart. Don't hold back. Hallelujah.

That's why they have these things called journals. You know, some of us journal and have books of journals, right? Man, I've got boxes of journals. Okay, but my whole point is, is that you're communing with God and you're reading the word and you're receiving the word and you're praying the word. That's relationship. Hallelujah.

It's not just the pastor's job to do it for you. Hallelujah. Without Him, we are nothing. And divine opportunities come from knowing Him according to His Word. And as you get in the secret place with Him, that's where He's going to bring revelation to you. Hallelujah.

You can be driving along the way, looking at the sunset at night. It doesn't matter where you find your feet. He is there with you. We are all called to lead in this life through Him, the author of life. Every one of us are called to lead. See, I didn't know I was a leader.

Say it. I didn't know I was a leader. Oh, I know I'm a leader now. We are all leaders. There are leaders who lead, and God appoints leaders. We are all leaders in the Kingdom of Heaven.

Hallelujah. We are all leaders. Say, I'm a leader. I'm a leader. Keep telling it to yourself, and you're going to do it. We are all leaders, and we're called to walk with Him in this life, through Him.

And we're going to make the most of every opportunity in this life with Him. in Him and through Him. You are not alone. And if there's a problem, if there's something dark or something hard or something that has broken through, stay with Him. Don't leave Him. The worst thing you could ever do is leave Him.

But here's the good news. He won't leave you. He won't leave you, even if you harden your heart and turn away. He has never left us. He said, I will never leave you, fail you, forsake you. What a bridegroom.

Hallelujah. Say, Amen. And that's the good news. Our minds are renewed to know Him. Everything starts to change once our minds are renewed in His presence, because in His presence is where things happen. He gives us forgiveness and grace.

Thank You, Lord. Our minds are renewed to know the goodness now. Say now. Okay, you got this thing called the Bible. How do you get to know this? Read the Bible.

Read the Bible. There's the story of humanity from Genesis to the end, right? Read the Bible. All those that you love, all your families, all your children, all those that you're discipling, tell them to read the Bible. Read it with them. Teach them.

Yes? Share with them what you learned. Share the good news. Don't think that they know it. And how many people have not read the Bible, okay? And the scripture says even in the end, more and more people will fall away from Him.

How important and vital it is that we ground and root ourselves in the word of God. Amen. You don't have to have it all memorized. The Holy Ghost does. So when you need it, He'll bring it to your attention. You're like, well, I just read that once, way back there.

And yet He brings it up when you need it. Faithful and true. We are renewed in His presence. He gives forgiveness and grace. He's renewing our minds, and we have to allow Him to flow through us.

God's kingdom is light and power and love, and He's going to bring the manifestation of His goodness. He will. He will manifest His goodness. That means He will make it known to us. And I want to acknowledge that. And I want to give God praise for that.

As the body of Christ that Paul here was praying for, as the body of Christ, we have a living hope. Say living hope. Okay. We're dying daily to ourself. That's probably the greatest mountain. Self. We carry His resurrection power.

Now that is a big word. We carry His resurrection power as the body of Christ. We agree that to live is Christ and to die is gain because He becomes your all in all. We have the mind of Christ. His heart burns within us. His heart burns within us.

Were our hearts not burning? I recognized that He was near. You understand? And yet they did not know, but He was there. He was there. And yet your heart burns with this knowledge of His presence.

That's it. We have eternal life. Glory to God. We receive and walk in forgiveness. Amen. We have hope.

We have peace. We produce the fruit of the Holy Ghost. We have abundant life and we possess courage. Remember He says, Finally be strong in the Lord and the strength of His might and of His fullness we all receive. These are really wonderful, positive confessions, but they're all scripture. They're all scripture.

that show us the riches of the glory and inheritance of Christ that starts today. Today, while it's called today, if you hear His voice, do not harden your hearts as in the day of rebellion. Draw near to God. He will draw near to you. Yes? He puts a hunger in you.

Lord, I want to know and decree You are my living hope. Yes? I choose to die to myself daily. It looks like that. And as the family of God, we are being redeemed from one generation to the next. Glory to Him.

We are delightfully called to host His presence. And that means individually every day you host His presence, not just when we gather, but when we gather, He says, I'm always going to be there in your midst. If two or three of you are gathered in My name, I am there in your midst. That's what the scripture says. Hallelujah.

So we come in acknowledging His presence. We honor His presence. We host His presence. We're not rude, you know? That's why I always open up with prayer and thanksgiving and welcome Him because He is here. Amen.

How does He do that? He does that because He's God. We belong to Him. We believe in His power and He's bringing His power and He manifests His kingdom. Okay? He's alive and He still comes to manifest His glory.

He is alive and still comes to manifest His glory. We agree with God's Word and Spirit that God still speaks. Yes? God still heals. Yes.

God still delivers? Yes. God still empowers? Yes. God still unifies? Yes.

God still restores? Yes. God still raises the dead? Yes, He does. God still saves to the uttermost? Yes.

He will do it to all who call upon Him in love. Even in difficult times and circumstances, we know God will never leave, fail, or forsake us and His grace is abounding to us. We must be strong because it is with, I mean, I'm just saying, constant bombardment of lies from the devil and religion that opposes the manifest presence of God. and the Word of God and the anointing on the Church that teaches the Church God does not heal anymore today. It's out there. You were probably, who taught it when you were little until you came by the Holy Ghost's grace into another revelation.

God still heals spirit, soul, and body today. God still does the work of Jesus Christ in this body today. And He will increase from glory to glory, the Scripture says. Amen. So the body of Christ is still carrying out His will and word today. And yes, there's the hotshot evangelist that we love to talk about, David Hogan in Mexico, who has reported at least 600 resurrections raised from the dead people. That's one saint, one evangelist in mission in the worst part of Mexico.

But all around the globe, missionaries are raising people from the dead. The church is raising people from the dead. It still works. God's not dead. He says, I want to bring you to the unsearchable riches of Christ. And what I love is when us little sweet people over here in Texas, we're going to pray for somebody to be raised. And you know who gave you that faith?

God did, because He's not dead. Didn't they make a movie about that? God's not dead? Like five of them? Where we're trying to get the point across, right? Okay?

I'm trying to get the point across. Woo! Grace is abounding right now. And yes, He's coming for us in us and upon us. Yes, He's coming for us, but in us now and upon us now. And corporally, that's a big word.

And we're pressing in. Holy Ghost imparts supernatural empowerment to overcome. That's good news. In Him and with Him and for Him, grace will abound. So the Spirit of God is going to impart to us fresh fire. And sometimes you're not knowing really to do with that fire.

But we have to have the fire. Okay? We have to have the fire of God, the great Holy Ghost, the baptism of the Holy Ghost and fire. We have to have more. Glory to glory, faith to faith, strength to strength. We have to be surrendered to the fullness of that fire and that zeal of Jesus.

Holy zeal, yes? And sometimes when it comes out of you, you're like, I don't know who just said that. That was kind of hot. And it can be offensive to others' flesh. because it comes with authority. Don't be afraid of authority.

Jesus spoke with great authority. Read the Gospels. Amen. Okay? You hear it? He's not wimpy.

Hallelujah. We want His fire. We want His zeal because He said, you guys just waited. You just wait. You just wait. Just you wait.

You just hang out here for a while. Acts chapter 2. You just hang out for a while and the Holy Ghost is going to come. He's going to baptize you in the Holy Ghost and fire. He did it. He promised it.

He came, and He hasn't stopped coming. It wasn't just then, and that was it and what launched the church. It's still working. We want that. Just everyday people? Yep.

And our families? Yep. And it's really great when you get to baptize your children in the Holy Ghost and fire. Hallelujah to the Lamb of God. The Spirit imparts to us His presence and His passion, and we share in His sufferings, which is His passion. We share in His sufferings.

The sufferings that He endured while He was on the earth and on the cross. The body of Christ, alive on the planet, shares still in His sufferings. We do. And that's the intimate place with Him that you and me, we get to go and encounter, but yet rejoice as we share in His sufferings. Because it's part of the inheritance only for a little while longer until we're with Him face to face and there will be no more sorrow. Hallelujah. No more sorrow, no more sadness, no more tears, no more battles. Hallelujah.

But today, well, it's called today, Glorify God. I close with our verse, John 17:3. This is words of Jesus. He said, And this is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent. This is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent.

That's eternal life. Where does it start right now? to know God, to have this intimacy, to receive the riches of the inheritance that He offers us now. Amen? So let's stand up and receive His words of encouragement. Again, you can find this on our website.

But meditate and think upon these things. Lord Jesus, we believe You. We thank You that You are very much alive and not dead and that You have blessed us. And as the body of Christ on the planet right here now, we receive the glorious riches of inheritance. We receive our destiny and purpose and call. We receive Your word, Lord.

We thank You for smiling while You walk beside us and revealing Yourself to us in just a moment of time. We thank You for Your word that we'll not ever be defeated. And Lord God, we thank You that Your word shall fulfill all that has been assigned to do. And we thank You that we surrender to that. We bless You for Your testimony today. In Jesus' mighty name, amen.

Amen? All right, well be blessed. If you need prayer, come on up. We'll pray for you.
