Spiritual Enhancement – Sermon Transcript 10/25/2026

Let me just pray over the word and we'll have hearts to hear. So far we just give You all the glory, honor, and praise. We are so thankful. We are so thankful, Lord. You are so, good. And I just thank You for Your word. I thank You for Your heart for us today. I thank You that we have ears to hear and eyes to see and our heart is open to receive from Your Spirit, Lord. Thank You for opening our understanding and teaching us and imparting to us the intent of Your heart. In Jesus' name, amen. Hallelujah.

All right, well, big title, spiritual enhancement. Say enhancement. Okay, we know that no flesh can glory in God's presence. That means that humans cannot exalt themselves above God. The flesh has no power and authority to exalt itself against God, period. End of discussion. Nothing is greater than God. Nothing is higher than our God. No sickness, no disease, no turmoil, no trouble. No calamities, no misfortune, no kingdom, no king, no government, nothing can be exalted above God. God reigns on high. He is King of kings and He is Lord of lords. That's why we say we crown Him King of Glory, Lord of all. Yes. No flesh can glory in His presence, but He will be glorified in our flesh.

And Jesus has come in order to save us. And we've been speaking of sanctification, and that is the work of the Holy Ghost that as soon as we are born again, He makes us a new creation. Yes. We become children of God. We become saints of the Most High God. We receive an inheritance of the riches of the glory in Christ. We're given an eternal home in heaven forever. We're promised eternal life forever and ever and ever, amen. And Jesus accomplished this for us on the cross, that He came and He died for us on the cross so that we could be saved. No one can be perfected in their own good works or strength. So Jesus came.

God so loved the world that He gave His only begotten Son, Jesus Christ, who is King of kings and Lord of lords, the Son of the Most High God. He came to save us and He took all of our sin, sickness, disease, and everything that hell had to bring, and He took it to Himself and He was nailed on the cross as a sin offering. Yes, He made atonement to make us right with God. And He gave us a beautiful promise that if we would only believe in Him with all of our heart, that He is the Son of God, God in the flesh, God raised Him from the dead after three days. Hallelujah. This is the Christian's perspective and belief and understanding. Three days dead and rose. Then He ascended into heaven where He now is and He's coming again. Hallelujah.

He is sanctifying us and He called us saints. We are saints of the Most High God. We aren't just one of them that got saved. We literally become children of Almighty God. He gives us riches and glory and an inheritance that Jesus died for us to have. This is good news. Amen. Believe in your heart, confess with your mouth that Jesus is Lord and you are saved. This is the good news of the gospel. And because of this, He is enhancing The moment you get born again, He starts to grow you up. He heals you. He delivers you. He saves you to the uttermost. He restores you. He heals your soul. He renews our mind. He changes the way we're thinking. Boy, that's a big one. Because we were dead in our sin and we only knew one path and it was called self. The biggest demon in hell is called self. Jesus died for our self to be saved. Truth.

Go to 1 Corinthians chapter 1. We're going to read verse 25. Spiritual enhancement. No flesh can glory in His presence, but we will glorify Him. And just a sister gave glory to Him for saving her life and destroyed the curse of cancer over her and has made her whole at 63. Hallelujah. It looks like that. It doesn't matter what it is. We go from glory to glory and we are thankful. Say with God all things are possible. All right, 1 Corinthians 1:25. Y'all there? Oh, I'm sorry, I'm reading out of NIV if y'all have that. Sorry, I was a little slow there.

For the foolishness of God is wiser than human wisdom. And the weakness of God is stronger than human strength. Verse 26: brothers and sisters, think of what you were when you were called. Not many of you were wise by human standards. Not many were influential. Not many were of noble birth. Verse 27: but God chose the foolish things of the world to shame the wise. God chose the weak things of the world to shame the strong. Verse 28: God chose the lowly things of this world and the despised things and the things that are not to nullify the things that are. Verse 29: So that no one may boast before Him. It is because of Him that you are in Christ Jesus who has become for us wisdom from God. That is our righteousness, holiness, and redemption. Therefore, as it is written, let the one who boasts boasts in the Lord.

We crown Him King of Glory. What a powerful declaration of revelation. The foolishness of God is wiser than human wisdom. The weakness of God is stronger than human strength. I love this. Brothers and sisters, think of what you were when you were called. Not many of you were wise by human standards. Not many were influential. Not many were of noble birth. But God chose. God chose. God chose us. He chose us. But God chose the foolish things of the world to shame the wise. Humans who are trying to save themselves, yes, are making a god of themselves or a god of somebody else. God chose the foolish things of the world to shame the wise. There's no other name under heaven in which man can be saved except through Jesus Christ.

God chose the weak things of the world to shame the strong. There's nothing in human flesh that can save our souls. Not the richest, the most noble, the healthiest, the strongest, the weakest. There is nothing that could have saved us, yes? that God chose the weak things of the world to shame the strong. God chose the lowly things of this world and despised things and the things that are not in order to nullify the things that are. He goes above and beyond what we can hope, think, or imagine to reach down to save us. so that no one can boast before Him. He will be praised and He will receive all the glory and honor forever and ever. Jesus Christ, the King of kings and Lord of lords, the Son of the living God, manifested in the flesh, has come to save us all. This is good news.

God chose, God chose, God chose. It was His sovereign will. Thank God for Jesus. No one can boast before Him. And it is because of Him that we are in Christ who has become for us the wisdom of God. It is His righteousness. He's right with God. And then when we believe in Him, He makes us right with God. We're clothed in righteousness. We're cloaked in the light of righteousness. We are right with God because of Jesus Christ, because of our faith in Him, not of our good works that anyone would boast. We're made right with God only through the name of Jesus, the blood of Jesus that cleanses us from all sin.

Wow.

Robes of righteousness. Yeah, more than that. We have become the righteousness of God in Christ. We are the righteousness of God in Christ. Yes. He makes us right. He cleanses us. He heals us. He delivers us. And He restores. And as soon as we're saved, there is a journey of sanctification where He can heal, save, and deliver to the uttermost. There's nothing the devil has put on any soul in this world that Jesus Christ did not die for to be healed and delivered from. There is no sickness, there is no calamity, there is no misfortune, there's no evil work of hell itself that can defeat Jesus' blood. The cross of Jesus Christ. He has defeated hell, went down, got the keys, and was raised from the dead. Even death can't hold Him. And one day we will have resurrected bodies. Glory to God. Hallelujah for that. Yes. And we will live with Him forever.

You hear this. It is the glory of the Lord. He is enhancing our understanding to the spiritual work. Do not grow weary in doing good. Don't grow weary of your testimony because many, many are still dead in their sins. Many, many may be bound in religion and don't know the way to the truth. Let the one who boasts boast in this, in the Lord, in all that He has done. Amen. Now go to 2 Peter chapter 1. This is New King James. Thank you. 2 Peter chapter 1. We're going to start in verse 2. Thank God. for His wisdom. Thank God for His love. 2 Peter 1:2. Wow.

Grace and peace be multiplied to you in the knowledge of God and of Jesus our Lord. This is a letter written by the Apostle Peter to the church. Yes. Grace and peace be multiplied to you, abundantly supplied, yes, in the knowledge of God, in the knowledge of God, and of Jesus our Lord. Grace and peace be multiplied to you in the knowledge of God. Many just run through the introductions, but this is a powerful statement. There is a power, a supernatural empowerment from heaven, a bell, an ability, a supernatural ability to receive grace and peace, a wholeness to know God, to know God, not know about Him. Yeah. Not that I heard the story, but to know God, to know Jesus, to know the Holy Ghost, to know His word.

Grace and peace be multiplied. Do you see that there? I don't. It's increase, multiplication from the moment you're saved until the very end. He is working, working, working, working to reveal Himself to us. That's why our boast is not in ourself, but what God chose to do. Grace and peace be multiplied to you in the knowledge of God and of Jesus our Lord, just to know Him. We want to know Him, know Him. I know Him way closer than I did when I first got saved. And so do you. But if you first get saved and you've just stepped into glory because you are introduced to the King and the Son of the living God. Hallelujah.

His divine power, verse 3: as His divine power has given to us all things that pertain to life and godliness. His divine power, that's a big word. Divine is God, okay? His divine power, all power, all kingdom, all authority, all might, His divine power has given to us, has given to us saints, hello, has given to us All things that pertain to life and godliness. He has given us everything we need according to life and godliness.

Wow.

His divine power, divine power, God's power, there's nothing higher. Through the knowledge of Him, Jesus, who has called us by glory and virtue. Through Jesus, this divine nature is imparted to the saints. He enhances our understanding constantly. of who we are in Him. His divine power has given to us everything we need on this side of glory. Yes? And all things that we have when we cross over. A spiritual inheritance that can never be taken away. Hallelujah. the knowledge of Him. He has called us by glory and virtue. Verse 4: by which have been given to us exceedingly great and precious promises that through these you may be partakers of the divine nature, having escaped the corruption that's in the world through lust.

have been given to us exceedingly great and precious promises. You see no lack here. I only see glory here. I only see increase here. I only see multiplication here. I see revelation, power, knowledge, and enhancement to who we are in Him. He has given divine power that we would receive and know the exceedingly great and precious promises. that through

these we can be partakers, joint heirs. Yes, we get to receive this divine nature. That's what's changing us. The Holy Ghost in us is changing us. He's changing the way we think. He's changing the way we talk. He's changing what we do. He's changing our heart, beloved. From glory to glory, the Holy Ghost enhances His word. He's bringing us into glory and virtue so that we can join in the divine nature.

It's like I no longer do what I did. Once I was a sinner, but I am no more. I am the righteousness of God in Christ now. I am chosen, but yet no flesh can ever glory in His presence. I cannot boast in myself. I can't boast in how good I've overcome. We give all glory and honor to God who is sanctifying us. Yes, He is making us holy as He is holy. and rejoice in the Lord. We give Him all the glory. I want to reread verse 4 here out of ESV. It says, by these precious promises He has given to us, great and precious promises so that through them you may share in the divine nature, escaping the corruption that is in this world because of evil desire.

Hallelujah that there is already a means to escape the evil in this world now, not just when we go see Him, when we go to sleep and rise in Him. Not just in that day when you cross over, but today, now, while it's called today. There are great, precious, beautiful promises today because God chose this. God chose this. God chose it this way to impart to us divine power. Wow, because of His divine nature. And we'll get to more of this in a moment. We share in this divine nature, escaping the corruption. Escaping the corruption. The corruption of this world cannot overtake the believer. Hallelujah. That should be a big amen. The corruption in this world cannot conquer you. The defilement of evil and sin cannot defeat you. Amen.

You are more than a conqueror now in Christ. You've been born again from above. He said that we are saints now. We are sanctified in Christ Jesus, being made holy. You have a supernatural strength now from your spirit. It's hitting your mind will and emotion and hitting that flesh to I no longer want to do what I want to do, but I'm doing what God bids me to do. I follow God now. I follow God's ways. I don't think the same. I don't act the same. I give, give, give. Stingy, stingy, stingy. Fear, fear, fear. I have faith and courage, yes, to be a light in this dark world. We are escaping the corruption that's in this world because of evil desire.

Verse 5: but also for this reason, giving all diligence, giving all diligence, here's our job, giving all diligence, now add to your faith. Okay, now add to your faith virtue. Add to your faith. Believe what I'm saying right now, because the Holy Ghost is giving us God's virtue. So add to your faith. You stepped into the glory. Now let Him build. Let Him add. Let Him do this work. Hallelujah. Giving all diligence, add to your faith virtue, moral excellence, yes? And to your virtue, knowledge. and to your knowledge self-control, and to self-control

perseverance, and to perseverance godliness, and to godliness brotherly kindness, and to brotherly kindness love. Verse 8: for if these things are yours and abound, you will neither be barren or unfruitful in the knowledge of our Lord Jesus Christ. For he who lacks these things is shortsighted, even into blindness, and has forgotten that he was cleansed from his old sins.

That is amazing. That is fruitful growth in this faith, yes? That is God sanctifying us because God is choosing to impart and to enhance what He has given us. Growth, growth, growth. You go from one glory to another glory. Give in all diligence, add to your faith virtue, moral excellence, knowledge. self-control, perseverance, godliness, brotherly kindness, love. You see this increase? It keeps exploding out of you in every area of your life. Amen. For he who lacks is short-sighted because we haven't really revealed to us and understood what He's really done for us. I'm no longer who I was. I'm not an old sinner no more, right? I'm a St. of the Most High God, a child of God, children of light. If we could just see the movie and see how much we glow. Y'all can laugh. Children of light.

Well, I can guarantee you the spirit realm sees the light. The spirit realm knows when you walk up. The spirit realm knows, oh, they're in God in Christ. Oh, they are lost as a goose, right? The spirit realm knows even the demons tremble, right? But the saints are getting revelation, removing the veils that hinder the understanding who God has saved us for and how He saved us and how He's delivered us and how He's imparted to us His very Spirit, His nature. That's good news. So verse 10: therefore, brethren, be even more diligent to make your call and election sure. That's in strong exhortation. He's like, give ear. Listen to me. This is who you are. This is what God has done. You are sharing in this divine nature. So give attention to this and press in, receive it, acknowledge it, walk in it. Yes. Let Him cause the increase. Let Him grow us. Yes. Be more diligent to make your call and election sure because that's going to keep you from stumbling. Truth.

For so an entrance will be supplied to you abundantly, I love this, into the everlasting kingdom of our Lord and Savior Jesus Christ. The everlasting kingdom, that's what the scripture says. Everlasting kingdom, it's called eternal life, forever and ever. For those who believe in Him will not perish but have eternal life. He has prepared an eternal kingdom forever and ever and ever. Wow! And when we see Him, we will be like Him. And it starts on the planet. The Spirit starts enhancing these truths while we're on the planet. It's not just when we step over and bam, there it was. There's going to be some big bams when we get over there, but it starts now. Why? Because it is the sanctifying work of the Holy Ghost that lives in me now.

It's God in me now, sanctifying me, making me like Christ, making me think like He thinks, making me act like He acts, making me talk like He talks, giving me supernatural things to

do that take God kind of faith. Yes? like paying your house off by the end of the year Seeing a prodigal saved Seeing a sickness and disease cast out and healed Going into the lost and hurting world and saving those who have no hope Delivering us from things that have kept us bound all our life. Yes This is what the kingdom of heaven advances to do and we are anointed to go through His divine power and preach this glorious gospel Go to 2 Peter 3:18. One verse: 2 Peter 3:18. Spiritual enhancement. No flesh is going to glory in His presence, but all flesh is going to give glory to God.

2 Peter 3:18, we are exhorted, but grow. Y'all say grow. Grow in the grace and knowledge of our Lord Jesus. Grow in the grace and knowledge. That's how this all started. Grace and peace be multiplied to you in the knowledge of God and of Jesus the Lord. Okay, so grow in the grace and knowledge. Believe it, receive it, think on it, meditate it. Yes, put it in your mouth, speak it, say, yes, Lord. I'm growing in the grace and knowledge of Jesus, my Lord and Savior. To Him be glory both now and forevermore. Amen. Because when you're walking with God, you will give Him all the glory. Amen.

Now go to 2 Timothy 3:16. Father, we thank You for Your encouragement. God chose the foolish things. God chose the weak things. God chose the lowly things. And we can only boast in Him. Hallelujah. 2 Timothy 3:16–17. All scripture, that's the word of God, all scripture is given by inspiration of God. Yes, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness. That the man, that man, the humans, that the man of God may be complete. Yes, so that the children of God, the man of God may be complete, thoroughly equipped for every good work. God, there is no lack in God's house. When you step in, He starts to perfect what concerns you.

All scripture is given by inspiration of God. This is what we live by. This is our standard of measure. God's word. Period. End of discussion. Amen. All scripture. It's profitable for doctrine, for reproof, correction, and for instruction in righteousness. When we read the word, it changes us from the inside out because now you're like, oh, I didn't know that. I didn't understand this. I didn't know who I was. I didn't understand that was sin. That's what He starts to do as soon as we're born again. We are being transformed by the word of God. He instructs us in righteousness so we can be complete, whole, equipped thoroughly for every good work that He has destined for us.

We are destined and born for good works. We go around doing good. Jesus Christ went around doing good, healing all who are sick and oppressed of the devil. Acts 10:38 says, so now we're saints of the Most High going around doing the same works that He did. Because Christ in me now, the hope of glory. It's His righteousness now, prevailing in me and through me. It's God's ways and His Spirit. It's not me. I've agreed. I've been born again. I'm a new creation. You hear it. I'm thoroughly equipped for every good work. You're like, well, I can't

go do that because I've never done that before. Don't worry, Jesus has. Yes, it's always bigger than us.

Enhance. Enhance. So what does that really mean? It's to raise to a higher degree. To enhance. To raise to a higher degree, such as to magnify or intensify something. So when God wants to enhance something, It's always increased. It's always bigger. It's always brighter. It's newer, sweeter, right? He's raising us to a higher level, to a new degree. He magnifies His name in us. Something is intensifying. More light comes to an area of your heart and your heart is ignited by the glory of God. More truth comes to us by revelation and we're changed in a moment. This is enhancement to raise to a higher degree. We are not stuck. We are not stuck. Say amen. Say I am not stuck. Okay, this is the kingdom of heaven. All right, that's why we glorify and magnify His name, right? That's who He is. This is what He does.

Wow.

He's raising us up. He's always making something better. God's not making it worse. That's what the flesh does. Man, I just made it worse. Now I did the wrong thing. I just made everything worse. Ever said that? At least once if you're human? God's making everything better. He takes our worst and says, come here, I'm gonna enhance what you've got and I'm gonna build on it. I'm gonna raise you up. I'm gonna change you and I'm gonna make you better. Go to the root. Go to the root. That orphan spirit cannot stay here. Yes? You've been born again from above. He can only grow us up into the fullness of His Son. That's the agenda of heaven. Hallelujah.

This raises the value and the price to enhance, to raise the value or the price, to intensify, increase in quality, value, power, always improving. Sound like heaven? That's what He's doing. The opposite of this is to lessen, diminish, and to reduce. It's nothing but less. That God enhances and always brings more. That's who He is. He can take our very worst and make us better. He can make the most impossible lie out there bow to your feet. Yes? He can raise you up in a moment. That's the truth. He's faithful and He's true. Holy Spirit is constantly enhancing our walk with God. This is His job. Holy Ghost, which is God, yes? He is constantly enhancing our walk with God. Every day, 24-7. He never sleeps. Whoa, right? He is always working for our good. And we need to know that.

That's changing the way we're thinking. You can't curse yourself, right? We have to believe in the Lord Jesus and know God. I ask You to forgive me for this sin, for this whatever I've done wrong. Please forgive me. But now I receive the forgiveness. I receive, right? You learn, you grow. You don't stay in the pit, correct? Amen. He's constantly enhancing our walk with God. He's always working things for our good. So when He fingers something and shows

you an area of our heart that's off, that's not aligned with His heart or His kingdom or the word, we repent, we receive it, and we go on. But we're going to be stronger than we were before that happened. Amen, because that's God's kingdom. Wow.

He's always working for our good and for the body of Christ to come to know the living Christ and His kingdom. It's all to know the living Christ. Everything is about knowing Him, remember? Wow, he's making his boast in knowing the Lord. His divine power has given us all things. We are coming to know the Lord. And when you see Him, you will be like Him. And that starts now. He was like, I don't know who just said that. I don't know who Fred gave my neighbor. I don't know why I gave an extra $1,000 gift to somebody. Why am I doing these things? Because it's Christ in you now. He changes us, yes, to give, give, give. God is a giver. Yes? Say, I'm A giver now. He's spiritually enhancing us, raising us to a higher degree. He's magnifying His own name. He's intensifying this walk. Wow.

The Lord only sees increase. That's all He can see. He only sees increase. So if that's what He sees, that's what I want to see. I want to see the more. There's always more, we say, around here. I want to see more. Yes, Lord. He overcomes all the unbelief and the what ifs in according to accomplishing His will. Yes, God is able to overcome all unbelief. Hardness of heart. Well, I prayed that it didn't work for me. I don't believe that. Holy Ghost is working for us to be believers. not unbelievers. We were once an unbeliever, now we are believer, right? He overcomes all unbelief. Say all unbelief. If you've been born again from both, unbelief is going out the door because now the King of Glory has just come in with His divine nature and He's making you believers, saints of the Most High God.

Jesus always believes God. And now Jesus lives in me and He's breathing His life in me and I'm believing God because He believes. Wow, there's nothing my God cannot do. That's an old song. I know it. He overcomes all the unbelief and the what ifs. What if? What if I step out and believe God? Well, then heaven will come. Truth. You're not getting in trouble. God's not going to say you believed Me too much. Right? No way. Wow. Holy Spirit knows no end. He only sees the Great I Am. Jesus said, I Am that I Am. That's His name, God. I Am that I Am. That's who He is. He lives to make Him known to each and every one of us every single day.

Go to Hebrews chapter 7. This is good news. All scripture is given to us by the inspiration of God. He's completing. He's equipping us for every good work. He's enhancing. Adding to our faith, virtue, knowledge, self-control, perseverance, godliness, brotherly kindness, we are not barren and unfruitful, but we are growing. Wow, praise the Lord. Hebrews 7:25. Thank You, Jesus. Therefore, He, Jesus Christ, is also able to save to the uttermost those who come to God through Him. since He always lives to make intercession for them. We

are not alone. It's like ever been in a place where you're like, I just need someone to pray for me. I just hope someone would pray for me right now.

Even if you can't be around a single soul, this cry comes out of us, oh Lord, just let somebody pray for me right now. You know what? The Lord hears that. And guess what? Someone's gonna pray. And if a flesh, a human doesn't get it, God did. Jesus does because He ever lives to make intercession for us. He is our great High Priest. He is our Intercessor. Yes? He is able to save to the uttermost. There's that salvation sozo. Spirit, soul, and body. Without end, no limit. We don't put God in any box. We believe the word of God. Amen. Thy kingdom come, Thy will be done on earth as it is in heaven. Father. Now go to Romans chapter 8. Your spirit man should be coming up front and center as receives the words. The Spirit is enhancing what He has planted within us. Yes? Romans 8:26. Now all of Romans chapter 8 is awesome. Romans 8:26. Likewise, the Spirit helps us in our weaknesses.

Wow.

Thank you. The Spirit, Holy Spirit, helps us in our weaknesses. For we do not know what we should pray or for as we ought, but the Spirit Himself, the Holy Ghost Himself, that's personal. The Holy Ghost Himself makes intercession for us. The Holy Ghost Himself, that's personal. That's personal. And He's inside of us now. Christ in you, the hope of glory. The Holy Spirit is in us now. You are now the temple of the Holy Ghost. Holy Spirit lives in the believer. Amen. He doesn't just come upon us. Now He's in us. And then He'll come upon us and upon us and empower us. Yes. But He is in us and within us. He ever lives to make intercession for us with groanings which cannot be uttered.

Now He who searches our hearts knows what the mind of the Spirit is because He makes intercession for the saints. For who? The saints. For the saints according to the will of God. You know, it's like, Lord, I just want to do Your will. Well, the Holy Ghost is getting us there. Yes, Thy kingdom come, Your will be done in me. Yes, that's the Holy Ghost. He's enhancing the spiritual journey. He is ever living to make intercession with Jesus. to perfect what concerns us so we can do the will of God. Hallelujah. Verse 28: because we know that all things work together for good to those who love God, to those who are the called according to His purpose.

Verse 29: for whom He foreknew, He predestined to be conformed to the image of the Son, that He would be the firstborn among many brethren. Moreover, whom He predestined, these He called, and those that He called, He justified, and those He justified, He glorified. I'm already glorified with Him now. And one day then, face to face. Oh, the glory of His presence. God is everlasting love, and in His kingdom, there is no lack. I've just been hammering that constantly. There is no lack in the house of the righteous. Period. is an

everlasting love, everlasting love, the renewing of the Spirit. The Spirit is enhancing us daily into the knowledge of God. He is a God who is more than enough. All these are names that He carries.

He transforms all and everybody He chooses for His glory. He transforms everybody He chooses. That's our God. He transforms. He doesn't just tune you up. He just doesn't patch you on the back and say good luck, right? He transforms all and everyone He chooses for His glory and purposes. He supplies all the needs in order to get His will done. And my God shall supply all of your needs according to His riches and glory. Yes, over and over again. The boast is not in us. The boast is in God. The boast is in God. The boast is in His spiritual enhancement and what He's doing in us. Go to Jeremiah chapter 29. Most have heard of this passage. Jeremiah 29:11. The word of God is the word of God. We receive it for ourselves, yes? God chose, God chose, God chose. Thank You, Jesus. Our boast is in You, Lord.

Verse 11: For I know the thoughts that I think towards you, says the Lord, thoughts of peace and not of evil to give you a future and a hope. Then you will call upon Me and go and pray to Me and I will listen to you. Can you say repentance? and you will seek Me and you will find Me when you search for Me with all of your heart. What a promise of redemption, saving a nation, rebellion against Him, saving an individual soul on the planet in rebellion against Him, lost without hope. God Almighty, the Father of glory, I know the thoughts I think towards you, child of God. Thoughts of peace and not evil. To give you a future and hope. And He testified that. He testified it because He sent His only begotten Son to die for us. He proved it. Yes?

Now go to Psalm 40:5. The word of God builds us up and strengthens. He enhances what God has placed in us. Psalm 40:5. We believe You, Lord. Many, O Lord, my God, are Your wonderful works, which You have done. And Your thoughts towards us cannot even be recounted to You in order. If I were to declare and speak of them, they are more than can be numbered. Psalm 40:5. Many, O Lord, my God, are Your wonderful works. Many, many, O Lord, my God. Now it's personal. Many, O Lord, my God. My God and Father, you see, you get intimate. Many, O Lord, my God, are Your wonderful works. You start praising the Lord for who He is and His works that He has done.

And then he goes, and Your thoughts towards us, right? Your thoughts towards humans, Your thoughts towards me, Your thoughts towards me cannot be recounted to You in order. You cannot even count or number the thoughts He has towards you. Hallelujah. He knows though. He knows. And Your thoughts towards us cannot even be recounted to You in order. If I were to declare and speak of them, they are more than can be numbered. You cannot even count and calculate. Who knows how many stars there are in the sky? I mean, wow, it

looks like that. Yes? One time I was out and you went again in the country, it's really beautiful because there's no city lights and you can really see the stars like, wow, isn't it beautiful?

If you haven't done that, go out somewhere dark in the country and just look up. I remember one time I was out there looking at them and I just was caught up in so much glory and worship to God, just outnumbered. I was just outnumbered. Yes, as many as the stars in the sky, right? Just the enormity, the glory, the majesty of God that He has created, all that He's created, and yet He sees me. Such beauty, right? Even last night, you know, just go outside every now and then. Like last, oh, it was this morning at the crook of dawn, you know, when I was out there. And I guess it was the something. I don't know if it was the moon or the sun. You could tell I'm really floating right now.

But I'm just saying it was orange. And there it was dark. And it was really dark. And there was an orange. I took a picture of it. And it was just right there. And it was the only thing that could be seen. And all I use is my word in scripture. The Sun of Righteousness shall rise with healing in His wings. Yes. He is magnificent and yet His thoughts are towards us. Psalm 40:17, scoot down a little bit. Bless you. Psalm 40:17. I'm just poor and needy, yet the Lord thinks upon me. Isn't that something else? even when we weren't saved. But when we are saved, when we're in trouble, I was poor and needy, yet the Lord thinks upon me.

We're changing the way we're thinking. He enhances everything about the saint. The Lord thinks upon me. You are my help and my deliverer. Do not delay. Oh my God. You hear it? I was poor and needy, and now it's my God. He thinks on me. He sees me. He's enhancing everything in me to acknowledge Him. You think upon me. Upon me, that's personal. Yes, every day. Now, Psalm 139, it's another one of those that you could read all the way through, but I'm going to read a few verses. Psalm 139:1–3.

Wow.

O Lord, You have searched me and known me. You know my sitting down and my rising up. You understand my thought from afar. You comprehend my path and my lying down.

Wow.

Go to verse 7. So where can I go from Your Holy Spirit? Where can I flee from Your presence? And go down to verse 14. I will praise You, Lord, because I am fearfully and wonderfully made. Marvelous are Your works and that my soul knows very well. Go down to verse 17. How precious also are Your thoughts to me, God. How great is the sum of them. Uh-oh. If I should count them, they would be more in the number than the sand. Whoa, he talked about the stars. Good luck counting those. Now he's talking about the sand. Who can count the grains of sand? And this dude knew it by revelation because the Spirit of God

was enhancing his understanding. How precious are Your thoughts to me, God? How great is the sum of them? If I should count them, they would be more in number than the sand. When I wake, I am still with You. Wow.

We're all called to believe the unbelievable and to attain more revelation of Jesus Christ, every one of us. We're all called to press forward and onward into the high calling of God in Christ. And it is a high call. It is. The Lord Jesus does not forget. He will not forget. He remembers and He knows and He plans and He pursues and He shall not let us go. His love is always abounding. His love is always abounding. So we will lift God up. Yes, we will magnify His name. We will glorify Him. And when we lift Him up, the Holy Ghost magnifies the Lord in all of His ways. When we lift Him up, the Holy Ghost will magnify the Lord in all of His ways.

He will grow, He expands, He takes dominion, causes us to flourish when we are convinced in His word and His goodness. We are simply believing. what the Holy Ghost has written, what He has said, and who He is. Amen? I'm going to stop there and I'll finish the next part the next time I'm up here. And we must believe. We must believe. Yes, always believe. Always go above and beyond. Amen? Because He's worthy. Let's stand up and pray. Hallelujah. He has given us His divine power. for all things, what a gift.

So Father, we do stand in awe of You today. Thank You, Father. Thank You, Jesus. Thank You, Holy Ghost. I Am that I Am. Thank You for choosing us, for You formed us and created us and fashioned us. Lord, thank You for saving us, Lord. Thank You for giving us a new nature a new spirit. Thank You for saving us to the uttermost, transforming us from the inside out into Your image and likeness. Thank You for taking us from glory to glory and giving to us Your divine nature. Enlighten our hearts more, Lord. Help us to see and know and believe the thoughts that You have towards this Lord. And we will attend to and abide and remain in Your word, Lord. We thank You for causing amazing growth. I bless everybody hearing today, and I thank You that their hearts are responding, their ears hear, their eyes see, and Jesus mighty name, Amen.
